

DESHBHAkti ACTIVITY (2024-2025)

MONTH : APRIL 2024

Deshbhakti curriculum has been introduced to instill the feeling of patriotism in students, to let students express their thoughts, be aware about their responsibilities towards their country.

Learning Objectives: Students will be able to

1. Channelize their thoughts and appreciate the role of each and every citizen for the progress of our country.
2. Embed in them the values of oneness, empathy and self sacrificing devotion towards our country.
3. Realize their responsibility towards the society.
4. Inculcate a feeling of gratitude and respect towards each and every citizen like their own family.
5. Seeks to develop constructive patriotism in themselves.

Activity Description: Students discussed in groups whether families of soldiers who are posted at the borders for the security of our country get the same respect in the society which they deserve? If farmers-who grow food for the whole nation and laborers - who build the nation brick by brick get the same respect and position in our society as they should get?

After discussions ,presentations were given by each group and students were asked to write their insights in their deshbhakti diary.

Learning Objectives: Students were able to

1. Appreciate the role of soldiers , farmers and labourers in the society.
2. Understand their role as responsible citizens striving to bring oneness, respect and dignity for all in our society.
3. Develop a sense of belongingness towards their own country-India
4. Embed in them a feeling of gratitude towards people working towards the development of our country.
5. Inculcate in them a feeling of hard core patriotism.

Glimpses of the activities done in the classrooms are as follows:
