PRE – PRIMARY DEPARTMENT

MONTH - APRIL '25

BAISAKHI CELEBRATION

Baisakhi is a popular festival celebrated in India, especially in the Northern Indian states. It also marks the beginning of the New Year for the Sikh community. Baisakhi falls on the 13th of April every year. It is a time of joy and happiness for people of all ages.

On 12th April, Baisakhi was celebrated in Pre-Primary Department. Students were told about the importance of Baisakhi. They were shown a video on the importance and significance of celebrating Baisakhi. This helped them learn more about India's festivals and its rich cultural heritage. All the children were dressed up in traditional attire. They spoke a few sentences about Baisakhi. Activities were also organised for the students of each class. Pre-Primary students did bubble sheet printing in corn. Pre-School students did colouring in the picture of corn. Pre-Nursery students did finger printing in the cutout of corn. Everyone danced on Baisakhi song.

Glimpses of Celebration
