Venue: ATL - Atal Tinkering Labs, Gyan Mandir Public School

ATL of the school organised ATL Community Day Today to commemorate the Birth Anniversary of Dr. B. R. Ambedkar and provide equal opportunity to all. The main motive of the workshop was to make students understand what is ATL and how we can become an innovator.

51 students have participated in today's workshop from neighbourhood schools- Sarvodaya Kanya Vidyalaya, Naraina, SKG, Inderpuri, Kalgidhar National Public School and Aravali Public School. All have come with their respective mentors and enjoyed the workshop. The day started with the great enthusiasm among the students for the workshop regarding ATL. We have started with the making of simple circuits with improvisation suggested by the young innovators. The entire program was divided into three parts- first was Introduction of ATL & be friendly with the ATL equipments. Second was the innovative projects consisting automatic switch for domestic household electric circuit. All the students took part in it very beautifully. Everyone showed their skills. Our chief guest Mr. Nandan , chief innovation officer, Niti Ayog, given tips to the child that how to become an entrepreneur from your small innovation. Mentor o change Mr Akshay Bhatia guide the child that how to ATL changes our thinking process. Principal Rajesh Bano Preeya ma'am welcomed the mentor teachers and the young innovators with the message of great teamwork leads you to success. Program was designed by ATL team of the school laid by ATL incharge J.S. Mishra. Innovation session was conducted by School teachers Mr. Vanshaj Koul and Ms. Khushhali Aggarwal.

Glimpse of the ATL community day:

Next we have the circuits making using various tools of ATL such as Arduino and Sensors.

Individual certificate distribution was also there. After the circuit making we have done the quiz session in which all the students were very active and enjoyed the session which is then followed by certificate distribution to the winning teams.
