

## DESHBHKATI REPORT

### MONTH-MAY, JUNE

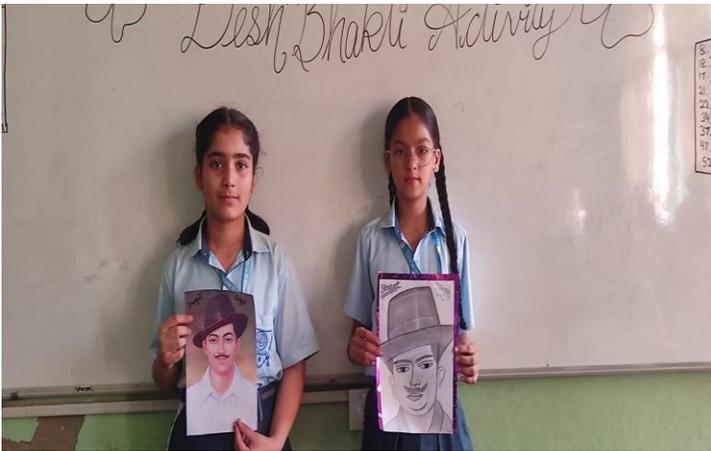

अनेकता में एकता ही इस देश की शान है,  
इसीलिए तो मेरा भारत सबसे महान है।

#### Activity: “Aankhen band karke apne school k bare me sochna”

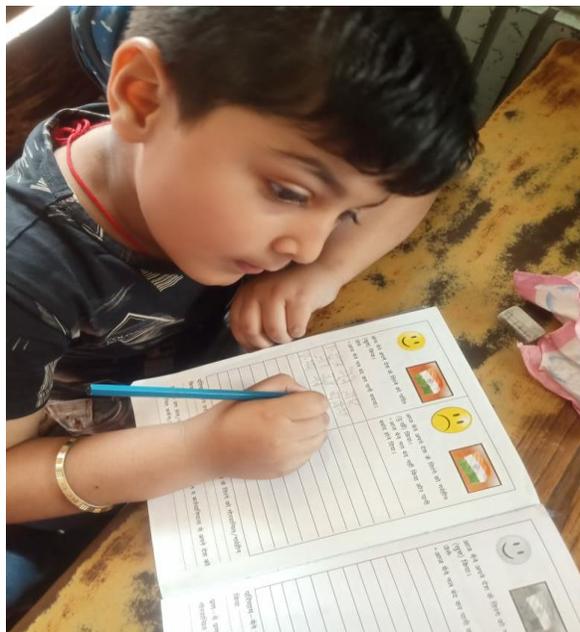

- Deshbhakti activities were conducted in month of May in 5<sup>th</sup> to 8<sup>th</sup> classes during zero period.
- Before starting the activity a meditation exercise was performed by the students.
- After performing meditation exercise, students were asked to close their eyes and think about their school and things present at their school.
- While doing this activity keeping their eyes closed they were asked some simple questions –
  1. Do you love your Nation?
  2. Do you love your school, Resources available at your school and its property?
- Students opened their eyes and shared their thoughts with the class that they love their Nation, their school and resources of the school.
- After this two scenarios were given to the students and were asked if the act of students described are patriotic or not –
  1. A student litter in the class and spill mud on walls of your school.
  2. A student breaks the taps of washroom and create chaos in your school.
- Students condemned the actions of the students who are littering in the school and breaking school property.
- After that students, shared their views in their classrooms.

#### **Learning Outcomes:**

- Students were able to know about the importance of school's property.
- They were also try to care their school property.
- All the students promised to love and protect their country more.
