

**ABHIVYAKTI 2025 – AN EXPRESSION OF THE INNER SELF**  
**REPORT**

**Gyan Mandir Public School celebrates innovation, imagination and intellect through a grand inter-school fiesta**

On the vibrant morning of 16<sup>th</sup> May 2025, Gyan Mandir Public School unfurled the colours of creativity and brilliance as it hosted its annual inter-school spectacle, Abhivyakti 2025, in collaboration with Rosmerta. This much-awaited event stood as a resounding celebration of youthful expression, offering a dynamic platform for students to unleash their imagination and showcase their talents across an array of enriching competitions themed around STEAM—Science, Technology, Engineering, Arts and Mathematics.

The school was honoured by the gracious presence of Ms. Aarti Nagpal, the visionary Chairperson of Rosmerta Safety Foundation, who graced the occasion as the Chief Guest. Mr. Hariansh Nagpal, President of Rosmerta Technologies, joined as the Guest of Honour, lending prestige and inspiration to the event. Adding further dignity to the day was the presence of Ms. Rajesh Bano Preeya, the revered Principal of Gyan Mandir Public School, whose thoughtful vision and nurturing leadership were reflected in every detail of the event. She played a pivotal role in shaping the spirit of the celebration. Her deep commitment to holistic education and her unwavering encouragement of student-led innovation could be felt throughout the event, as she moved among the participants with quiet encouragement and heartfelt admiration. Her inspiring presence infused the day with warmth, vision and meaning.

A magnificent confluence of over 2000 participants from 103 esteemed schools from all over India transformed the campus into a vibrant mosaic of colour, sound and intellect. The air resonated with excitement and enthusiasm as young minds engaged in 29 thoughtfully curated online and offline competitions, each designed to ignite curiosity and foster innovation. From the elegance of literary expression and musical rhythms to the finesse of artistic creation and the rigour of scientific challenges, every event was a testament to the boundless potential of young learners.

A distinguished panel of judges—eminent professionals from diverse disciplines—lent credibility and fairness to the event, commending the exceptional talent and creative depth of the participants. As the competitions drew to a close amidst cheer and celebration, Adarsh Public School, Vikaspuri, proudly lifted the Rolling Trophy, a symbol of excellence and spirited participation.

Abhivyakti 2025 stood as a shining reflection of the school's unwavering commitment to fostering creativity, critical thinking and collaboration. Under the dynamic leadership of Chairman Sir, Mr. Prashant Khosla, whose foresight and dedication continue to elevate every endeavour, the event emerged as more than just a competition—it became a celebration of ideas, a tribute to learning and a festival of youthful energy and purpose.

As the day concluded on a note of pride and promise, Abhivyakti 2025 left behind echoes of joy, innovation and inspiration—ensuring that every child who participated walked away not just with merit certificates and trophies, but with memories that would forever inspire their journey ahead.
