

Class – Pre - Primary

Hurdle Race

Date – 8th July,2025

The hurdle race was a resounding success, promoting physical activity, teamwork, and problem-solving skills among Pre – Primary students. It was a fun and engaging way to develop essential life skills while encouraging social interaction and confidence building.

Description

The teacher demonstrated how to navigate the hurdles, showing students how to jump over them. Each student took turns to jump over the hurdles and other students cheered on their peers, promoting teamwork and sportsmanship.

Learning Outcomes-

Through this Activity ,the learners were able to –

1. Develop critical thinking and adaptability while navigating obstacles.
2. Enhance collaboration and support among peers.
3. Boost self-esteem through overcoming challenges.

Glimpses of Activity
