

PRE-PRIMARY DEPARTMENT

FRIENDSHIP DAY CELEBRATION

Date: 1st August ,2025

Friendship Day brings us closer to our friends and spreads lots of happiness in life.

Students of Pre-Primary and Pre-School spoke a few sentences about friendship. Students of Pre-Nursery did hand printing and made friendship wreath. Activities were also organised for the students of each class. Students prepared beautiful friendship bands and also exchanged their bands with their best friend.

The day ended with a fun-filled dance party in which students danced with their friends, celebrating the joy of friendship.
