

**Class: Pre-Primary**

**Activity: Fun With Origami**

**Date: 4th October 2025**

In this art integrated activity, learners of Pre-Primary classes excitedly took part in the Fun with Origami activity by making a butterfly.

**Learning Objectives -**

Through the activity, the learners were able to -

1. Enhance their motor skills.
2. Strengthen their hand-eye coordination.
3. Demonstrate their creativity skills.

**Activity Description -**

For this activity, all the learners experienced the concepts of using origami and paper folding. The teacher demonstrated the way origami has to be done and used to make a butterfly. They were first shown the process on the smart board and the learners then practised it with their peers.

**Learners' Involvement -**

All the learners were curiously engaged in creating colourful butterflies using origami paper. With the help of just a few attempts, they were able to make perfectly aligned shapes with paper.
