

ACTIVITY: MATCH THE SAME COLOUR

CLASS: PRE-SCHOOL

DATE: 7.11.2025

ACTIVITY DESCRIPTION-

A hands-on activity was conducted for pre-school students to practice colour recognition. Students were given various shapes displayed in different colours. They were asked to identify shapes of the same colour and place them together in the corresponding-coloured trays. This activity encouraged students to match shapes based on their colours, reinforcing colour recognition and cognitive skills.

LEARNING OUTCOMES-

1. Recognized and identified different colours.
2. Developed colour matching skills.
3. Enhanced cognitive abilities through sorting activities.
4. Encouraged hands-on learning and participation.

GLIMPSES OF ACTIVITY-
