

NO BAG DAY
CLASS: PRE-SCHOOL
DATE: 14.11.2025

The following activities were carried out during NO BAG DAY in Pre-School classes.

1. CREATING PATTERNS

ACTIVITIES DESCRIPTION-

The activity involved Creating Patterns where students arranged shapes and spoons in given sequences. A pattern was displayed, and they replicated it. This hands-on task helped them understand repetition and order.

LEARNING OUTCOMES-

1. Recognized and continued simple patterns.
2. Practiced sequencing and replication of given orders.
3. Enhanced fine motor skills.
4. Developed logical thinking by predicting next elements in patterns.

2. RUB THE BALL

ACTIVITIES DESCRIPTION-

In Rub the Ball activity, students were given a ball. They rubbed the ball gently with their hands and explored how it felt. This tactile exercise helped them experience various sensations and describe the textures.

LEARNING OUTCOMES-

1. Developed sensory awareness through touch.
2. Practiced descriptive language like smooth, rough, bumpy.
3. Encouraged curiosity and exploration.
4. Improved fine motor skills.
