

**Gyan Mandir Public School Champions Road Safety Through the 11th ‘Safe Mobility 2025’—
An Inter-School Initiative**

Gyan Mandir Public School, in association with the Society of Indian Automobile Manufacturers (SIAM) and Suzuki, proudly organised the 11th edition of the ‘Safe Mobility 2025’ Inter-School Road Safety Event—a transformative initiative that has grown into one of Delhi’s most impactful youth-led movements promoting responsible and mindful mobility. This year’s programme reached over 50 schools across the country, inspiring and engaging more than 1000 young participants who came together to advocate for safer roads and a more conscious commuting culture.

At the centre of this meaningful initiative stood the inspiring leadership of Mrs. Rajesh Bano Preeya, Principal, Gyan Mandir Public School. Her commitment to embedding safety, empathy and civic responsibility into the school’s learning environment has encouraged students to become thoughtful and responsible members of society. Reflecting on the growing effect of road safety education, she shared, “Parents often tell us their children now remind them not to jump signals or break traffic rules. This shift in awareness among students is a strong sign that road safety education is beginning to influence families as well.”

The event was further strengthened by the progressive educational vision of Honourable Chairman, Mr. Prashant Khosla, whose belief in nurturing peaceful, sensitive and socially responsible global citizens gave the event deeper purpose and direction.

‘Safe Mobility 2025’ featured 24 creatively designed events—from film-making and photography to design, lyric writing and multimedia presentations—each encouraging students to reflect on the importance of thoughtful, responsible mobility.

The concluding felicitation ceremony, held on 4th December 2025 at the India Habitat Centre, was graced by distinguished guests - Mr. Alok Jaitley, President, SAFE, Mrs. Rajesh Bano Preeya, Principal, Gyan Mandir Public School, Mrs. Swarnima Luthra, Principal, ASN Sr. Sec. School, New Delhi, Mr. Indra Narayan Das, National Circulation Business Head, Hindustan Times, Mr. Madhur Agarwal, Circulation Head, HT Media, Delhi NCR, Hindustan Times, Mr. Sarada Rout, Manager – Corporate Planning, Suzuki Motorcycle India Ltd., Mr. Prashant K. Banerjee, Executive Director, SIAM and Mrs. Meenakshi Kukreja, Director, SIAM. Their esteemed presence added depth and significance to the collective mission of building safer, more aware communities.

Mrs. Rajesh Bano Preeya delivered an impactful presentation on the pioneering initiatives undertaken by Gyan Mandir Public School to ensure safe mobility on roads—illustrating how the school nurtures awareness, responsibility and a deep sense of civic duty among its students.

Winners from various categories were felicitated by the revered guests. The coveted Rolling Trophy was conferred upon Adarsh Public School, Vikaspuri, acknowledging the school’s outstanding creativity, disciplined effort and vibrant participation.

With its vibrant blend of creativity, awareness and youthful energy, the 11th ‘Safe Mobility 2025’ reflected Gyan Mandir Public School’s strong commitment to shaping informed, responsible and sensitive young citizens. As the school continues to foster meaningful learning rooted in values and social responsibility, it shines as a luminous force guiding students towards a safer, more thoughtful tomorrow.
