

**Class: Pre-School**

**Activity: Fun with Origami**

**Date: 30.1.2026**

The students of Pre-School classes indulged themselves in an art-integrated activity by the name of 'Fun with Origami'.

**Learning Objectives -**

Through the activity, the learners were able to -

1. Enhance their motor skills.
2. Refine hand-eye coordination.
3. Develop their creative skills.

**Activity Description -**

Each student was given colourful pieces of origami paper. To introduce them to the use of origami paper, the teacher demonstrated how to transform the paper into a 3D object by paper folding. The teacher also demonstrated how a dog's face can be made using origami paper. The students made colourful dog's faces from origami paper.

**Student's Involvement -**

All the students were left intrigued and highly enthused when they experimented with different forms of paper folding to make the expressive dog's face. They let their creativity loose which unfolded in the most beautiful manner in the 3D objects they created out of colourful papers.
