

HAPPINESS CURRICULUM ACTIVITY-REPORT

PRE-PRIMARY DEPARTMENT

MONTH – November'2025

ACTIVITY SESSION – 'Feeling of emotions'

Our little ones had a blast exploring emotions through a fun face-making activity! They crafted different emotion faces, learning to recognize and express feelings like happy, sad, angry, and surprised. Students enjoyed creative expression and emotional intelligence.

LEARNING OUTCOMES: -

The students were able to: -

- Developed empathy and understanding of different emotions
- Develop fine motor skills and creativity through face-making activity
- Learn to express emotions in a healthy way.

SOME GLIMPSES OF ACTIVITY: -
