

HOLIDAY HOMEWORK  
CLASS I

Dear Parents,

- i) Summer vacation is not just a break from routine but a wonderful opportunity for children to explore new interests, discover hidden talents and create beautiful memories with their families. Keeping this in mind, we have thoughtfully designed the holiday homework to make learning enjoyable, creative and meaningful.
- ii) The activities and Open Day project work have been planned to promote creativity, curiosity and experiential learning in accordance with the vision of NEP 2020.
- iii) We request you to spend quality time with your wards, guide them, motivate them and help them in completing the activities and project work.
- iv) Kindly supervise your wards while using materials such as scissors, Fevicol, colours and other craft items to ensure safety and proper handling.
- v) We seek your active involvement and cooperation to make learning more joyful, meaningful and memorable for the children.

**GENERAL INSTRUCTIONS**

- Academic Holiday Homework of all the subjects is to be done by each and every student.
- Revise the portion of the subjects for the upcoming Periodic Test-I.
- Open Day Projects / Models / Scrap files etc. are to be prepared as per your Roll No. as mentioned below:

<b>MATHS</b>	<b>23-33</b>
<b>ENGLISH</b>	<b>34-44</b>
<b>I.T.</b>	<b>45 onwards</b>

#### **E.V.S. (Roll no. 1-11)**

**ACTIVITY- SMART WATER LEVEL INDICATOR:**

Items Needed:

- Transparent plastic bottle or jar
- Water
- Small thermocol ball / ping pong ball (for floating)
- Straw or ice-cream stick
- Coloured paper
- Sketch pens / crayons
- Cardboard base
- Stickers for decoration

Here are short and simple steps:

Take a transparent bottle as the “water tank.”

Put water inside the bottle.

Place a thermocol ball in the water.

Attach a straw or stick to the ball so it moves up and down.

Mark levels outside the bottle:

Empty

Half

Full

Decorate the model with colors and stickers.

### **HINDI (Roll No. 12-22)**

हमारी मान्यताओं तथा मूल्यों का वैज्ञानिक आधार दर्शाते हुए 4 फ्लैश कार्ड बनाइए

### **Maths (Roll No. 23-33)**

**Theme : Waste to Wealth**

**Materials Used-** Old cardboard, plastic bottle caps, ice cream sticks, foam numbers, Fevicol

**Procedure to make**

**1. Take an old cardboard and paste numbers 1 to 10 on the left.**

**2. Draw circles and paste bottle caps next to each number to show quantity.**

**Example: For 4, we paste 4 green caps.**

**3. Keep ice cream sticks to do addition like  $2 + 3 = 5$ .**

**ENGLISH ( Roll No. 34-44)**

**Learn the poem given below and recite in the class.**

India shines so bright and free, A happy land for you and me.

Green trees dancing in the air, Clean blue rivers everywhere.

We will plant and we will care, Keep our Earth fresh and fair.

New ideas and dreams so high, Flying rockets in the sky.

Robots helping, lights that save, Kind hearts strong and children brave.

With good values hand in hand, We will build our future land.

Bright tomorrow, strong and free, India's pride for all to see.

India shining, brave and new, 2047 — our dreams come true!

**IT (Roll No. 45 onwards)**

Make a well labeled mini computer from waste material.

**PORTION FOR PERIODIC TEST – I**
