

HOLIDAY HOMEWORK CLASS IV

Dear Parents,

- * Summer vacation is not just a break from routine but a wonderful opportunity for children to explore new interests, discover hidden talents and create beautiful memories with their families. Keeping this in mind, we have thoughtfully designed the holiday homework to make learning enjoyable, creative and meaningful.
- * The activities and Open Day project work have been planned to promote creativity, curiosity and experiential learning in accordance with the vision of NEP 2020.
- * We request you to spend quality time with your wards, guide them, motivate them and help them in completing the activities and project work.
- * Kindly supervise your wards while using materials such as scissors, Fevicol, colours and other craft items to ensure safety and proper handling.
- * We seek your active involvement and cooperation to make learning more joyful, meaningful and memorable for the children.

GENERAL INSTRUCTIONS

- Academic Holiday Homework of all the subjects is to be done by each and every student.
- Revise the portion of the subjects for the upcoming Periodic Test-I.
- Open Day Projects / Models / Scrap files etc. are to be prepared as per your Roll No. as mentioned below:

SUBJECT	ROLLNO.

MATHEMATICS

Assignment – chapter -2

Art Integrated activity - Activity 1&2 from the assignment of chapter 1&2

Revise the given portion for Periodic Test I

E.V.S.

Q.1 Do multiple choice questions from chapter Exploring our neighbourhood in assignment book.
Do all the work in E.V.S. notebook

Q.2 Multiple choice questions:

I. How does a community benefit from collective action, such as cleaning a park?

- a) It creates more work for individuals.
- b) It fosters teamwork and a sense of belonging.
- c) It leads to less community involvement.
- d) It shows wealth.

II. Why is a community important?

- a) It helps people to earn more.
- b) It helps people to live alone.
- c) It helps people live together and support each other.
- d) It makes people fight.

Q3. Fill in the blanks:

A _____ is a group of people living together in the same area.

A _____ constructs buildings and houses.

People in a community help and _____ each other.

A _____ keeps our surroundings clean.

A _____ helps to catch thieves and maintain law and order.

Q4. Answer the following questions:

Why do you think it is important to have places like parks, schools, hospitals and bus stops in your locality?

What can you do to keep these places clean and safe?

It is important for communities to come together in times of need. What do you think about this statement?

What is an ATM and how does it help people?

Why is a neighbourhood market important? What happens if there is no market nearby?

Q5. Case based questions:

Dada ji replied, “Navya, this is a hospital. People come here when they are unwell. I brought your grandmother here for her eye operation a few years ago. The doctors helped her see better, and it made a huge difference to her life. This hospital is such an important part of our community. Today, it is organising an eye check-up camp”.

How did the hospital help Navya’s grandmother?

Why does Dada ji say the hospital is an important part of the community?

Activity Based Question

“Time Travel with Communication”

Instructions: 1. Draw two pictures side by side on A4 size sheet. One showing ancient means of communication (like drumbeats, cave paintings, pigeons, messengers).

2. The other showing modern means of communication (like mobile phones, video calls, emails, or social media).

G.K.

* Revise all the pages covered till now.

I.T.

Solve Ch-1 assignment in assignment book.

ART

Aesthetics Art & Activity – Book page number 13,28,31

Craft- Make a Warli Art Wall hanging using reference image
