

Class –Balvatika -1

Scribble Fun Activity

Date – 16th May 2026

The “Scribble Fun Activity” was conducted to enhance creativity, imagination and fine motor skills among the learners. It provided children with an opportunity to freely express themselves through colours and scribbling in a joyful and stress-free environment. The activity created an engaging and happy classroom atmosphere for all.

Description:-

Students of Balvatika–1 participated enthusiastically in the Scribble Fun Activity. Children were provided with their drawing files and were encouraged to scribble freely using different colours. They explored lines, shapes and patterns through scribbling which helped in developing their creativity and hand control. The classroom was filled with excitement and joy as children proudly showed their work.

Learning Outcomes:

Through this activity, the learners were able to –

1. Enhance creativity and imagination.
2. Develop fine motor skills and hand control.
3. Express themselves through art.
4. Build confidence in presenting their work.
5. Experience joyful and stress-free learning.

Glimpses of Activity –
