Yellow Colour Day

Date – 11th May, 2026

The “Yellow Colour Day” was celebrated to introduce children to the significance of the colour yellow, which symbolizes happiness, energy, and positivity. The activity aimed to enhance recognition of colours, encourage self-expression, and promote confidence among learners. It created a joyful and vibrant learning environment.

Description:-

Students of Balvatika–1 participated enthusiastically in the Yellow Colour Day celebration. Children came dressed in yellow outfits and brought yellow-coloured objects from home. They confidently spoke 2–3 lines about their objects, enhancing their speaking skills and confidence.

The learners also engaged in a fun art activity where they did thumb printing on mango worksheets using yellow colour. The classroom atmosphere was filled with excitement and creativity. As a takeaway, children received a yellow band decorated with stars and smileys, making the day memorable.
