

“STRONG PILLARS OF SUCCESS”

ALLOCATION OF STREAM FOR SESSION 2025-2026

Dear Parents,

15.12.2025

We wish to inform you that the school has set a marks criteria for stream selection for Class XI for the academic year 2026-27. School allots subject streams for Sr. Sec. Classes on the basis of the child's aptitude; however, we have had many cases where, 'aptitude alone' has not been a successful tool for determining the sincerity or proficiency in a stream. Often students opt for streams due to peer or parental pressure. A student wishing to opt Science in class XI, should have shown reasonable proficiency in the subject in class X.

Henceforth, the basic cut offs (that will be considered) for stream allocation procedure, will be as under:-

Periodic Assessment-1 (Class-X)	-	10%
Half Yearly (Class-X)	-	25%
Periodic Assessment-2 (Class-X)	-	25%
Pre Board 1	-	40%

Science Stream :

Minimum 75% in Science and Mathematics

Commerce Stream :

(a) Minimum 65% in Mathematics, Social Science & English (For Commerce with Mathematics)

65% in Mathematics is compulsory

(b) Minimum 65% in English & Social Science (For Commerce without Mathematics)

Humanities Stream :

(a) Minimum 60% in English, Social Science & Mathematics (For Humanities with Mathematics)

65% in Mathematics is compulsory

(b) Minimum 60% in English & Social Science (For Humanities without Mathematics)

We are sure that as true well wishers of your ward, you will cooperate with us in ensuring the best for your child.

Note :- Students who have opted for Basic Mathematics in class X cannot opt Maths in XI standard, in any stream.

Please find the subject options available for the session 2026-27 overleaf.

Warm regards

Principal
