ECHOES OF TEAMWORK & SPORTSMANSHIP, MEMORIES OF A LIFETIME

ROOTED IN VALUES, RISING WITH PURPOSE

PACE NEWS | Hindustan Times MEDIA MARKETING INITIATIVE

Carrying Forward a Legacy of Vision and Values

When the foundation of Gyan Mandir Public School was laid by our revered grandparents, it was not merely to build a school but to nurture a vision — to provide quality education to every child, irrespective of background. Their dream was rooted in the belief that education is the greatest equaliser, a force that empowers individuals and transforms societies. Over the decades, I have had the privilege of witnessing the school rise from modest beginnings to a vibrant institution of learning. Today, Gyan Mandir Public School stands as a reflection of the values of hard work, perseverance and collective commitment. The National Education Policy (NEP) 2020 has given us renewed direction, aligning perfectly with our belief in holistic education. Beyond academics, we emphasise life skills, creativity and critical thinking so that our students are not just successful professionals, but responsible global citizens. Our Atal Tinkering Lab (ATL) projects reflect the

innovative spirit of our young learners. From designing stress-monitoring bands to exploring solutions for sustainable agriculture, our students are encouraged to think, create and innovate — preparing themselves for the challenges of tomorrow. Personally, I have always been passionate about sports and that passion is deeply ingrained in the culture of our school. It is heartening to see our students excelling in diverse arenas, carrying forward a sporting spirit that makes the school rise higher with every achievement. Many of them have brought laurels at state and national levels, particularly in cricket and taekwondo,

inspiring their peers with their dedication and discipline. We firmly believe that true learning must touch the head, the heart and the hands. Hence, we embrace experiential learning, art-integrated approaches and gamification to make education joyful and meaningful. Equally, we believe education is incomplete without compassion. Our initiatives in community service — whether it is celebrating festivals with supporting staff, engaging with local communities or spreading awareness about sustainability — keep our students rooted in empathy and social responsibility. Gyan Mandir Public School is, therefore, not just an institution but a living legacy of love, vision and service.

देशभक्ति

पाठ्यक्रम

नागरिकों के मूल्य, स्वभाव, विचार, आचरण एवं व्यवहार से ही राष्ट्र के चरित्र का निर्माण होता है। किसी देश का उत्थान या पतन इस बात पर निर्भर करता है कि उस देश के नागरिक किस स्तर के हैं और वहाँ की शिक्षा पद्धति कैसी है। आज़ादी की ७५वीं वर्षगाँठ पर दिल्ली सरकार द्वारा दिल्ली के विद्यालयों में पढ़ने वाले बच्चों के लिए देशभक्ति पाठ्यक्रम का प्रारंभ किया गया। इसी पाठ्यक्रम का अनुसरण करते हुए **ज्ञान मंदिर पब्लिक स्कूल** का अपने छात्रों को भावी सुनागरिक बनाने का यह एक सतत प्रयास है। गत कई वर्षों से हमारे विद्यालय ने समाज को कई उच्च अधिकारी, डॉक्टर, वकील, इंजीनियर, अध्यापक आदि प्रतिभाशाली नागरिक प्रदान कर प्रतिशील समाज की स्थापना की है। इस पाठ्यक्रम के माध्यम से हम अपने विद्यार्थियों में उन मूल्यों एवं भावनाओं को स्थापित करना चाहते हैं जो उन्हें सफल, कर्तव्यनिष्ठ, जिम्मेदार एवं सच्चा देशभक्त बनाकर राष्ट्र निर्माण के योगदान के लिए तैयार करें।

	
आज मैंने अपने देश के तिरंगे को गर्वित (खुश) किया। जैसे- * आज मैंने नल बंद कर पानी बचाया।	
आज मैंने अपने देश के तिरंगे को गर्वहीन (दुःखी) किया। जैसे- * आज मैंने अपने मित्र का मन दुखाया।	

* परिणाम—मैंने उपरोक्त कार्यों के माध्यम से अपने देश के तिरंगे को गौरवान्वित/गर्वहीन किया।

* प्रण—मैं प्रण लेता/लेती हूँ कि मैं और भी अधिक लगन व कर्तव्यनिष्ठता से अपने देश को गौरवान्वित करूँगा/करूँगी।
